01 / OUR BUSINESS

Design-led manufacturing.

We bridge contemporary interior aesthetics with precise digital fabrication.

01

WHAT WE CREATE

Precision-cut wall décor and architectural partitions designed to add character, depth and visual impact.

02

HOW WE WORK

Digital design, laser cutting, engraving and finishing — turning concepts and reference designs into made-to-order pieces.

03

WHO WE SERVE

Homeowners, interior designers, architects, hospitality brands, offices, restaurants, retail and commercial spaces.

MATERIAL CAPABILITY

MDF 2 / 4 / 6 mm · **ACRYLIC 2 / 4 / 6 mm**

CUSTOM SIZES · CUSTOM DESIGNS · B2B ORDERS

02 / DESIGNER WALL PARTITIONS

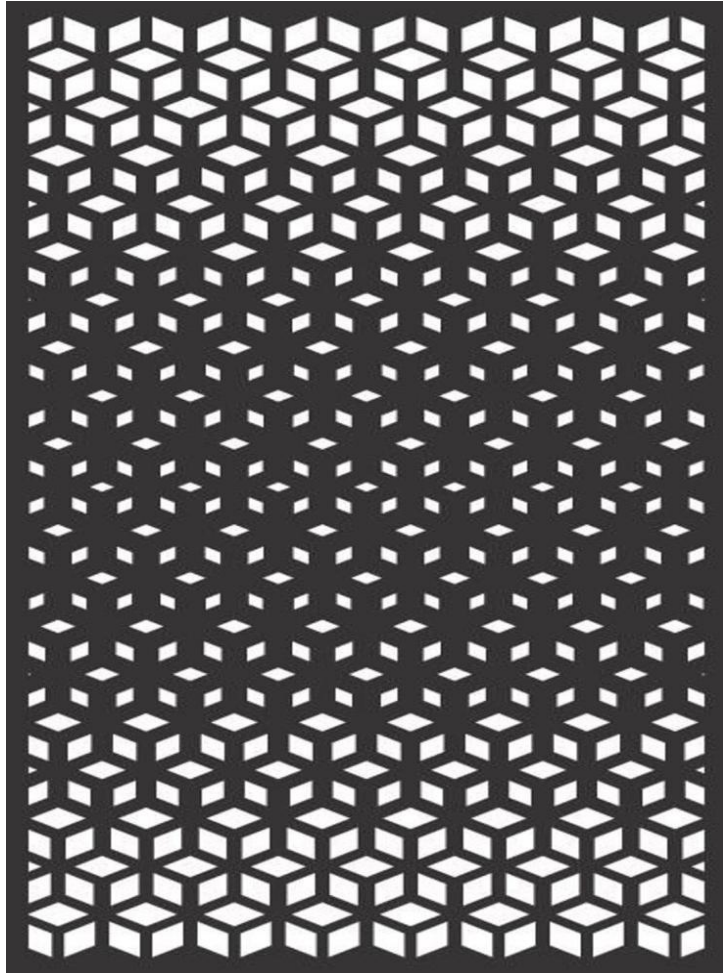

Define space. Don't close it.

Pattern-cut screens that visually divide a space while preserving light, openness and flow.

03

CosmoZen Decor

03 / 2D WALL ART

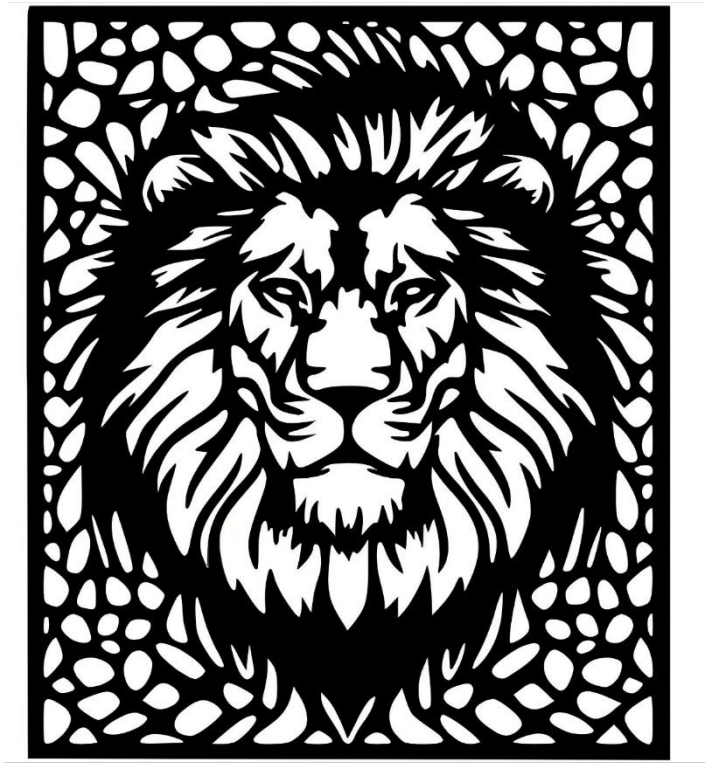

Intricate patterns. Strong visual identity.

Flat-cut and engraved artwork across spiritual, geometric and decorative themes.

04

CosmoZen Decor

04 / 3D WALL ART

Flat material. Extraordinary depth.

Multi-panel precision-cut artwork assembled into wall-mounted pieces that create depth and shadow.

05

CosmoZen Decor
